

DRIVE YOUR STUDEBAKER DAY

SATURDAY, September 12, 2020

Hi, All Members, this is for you!

The venue for our Drive Your Studebaker gathering has changed, and Lynn Fletcher and I have taken on the 2020 DYSD. We will be doing a short tour of some of the back roads from Armstrong to Enderby, having a quick stop, by request from Ann Turner (Turning Wheels Editor) to show some of her new neighbours our Studebakers. I see a perfect opportunity for a photo op!

We will then head south, again on the back roads through Armstrong and on to Vernon. These will all be paved roads. We will be finishing our drive at Peter Nickoli's orchard in Coldstream. There is lots of room for the cars and to be able to spread out for social distancing. The duration of the driving of the tour will be under 1.5 hours, including stops.

This invitation goes out to all members regardless whether your Studebaker is on the road. We would like to see you. So, come out with your "citizen car" and have some safe social time.

Start - 11:00 a.m. from the A&W parking lot in Armstrong, just off Hwy 97 & Smith Rd. (stop light)

Finish – approximately 12:30 at Nickoli Orchard, 10132 Grey Road, Coldstream.

Bring your own lunch, beverage, chairs, etc. Feel free to join for any part of or the whole adventure.

Looking forward to seeing you. Call or email if you have any questions.

We miss you! Please stay safe.

Gary Koo
